## Plans for Re-enrollment 2019-2020

Dear Junior Division Families,

We are working towards finalizing Junior Division 2019-2020 class schedules with an anticipated release of Fall registration information in early May.

At this time, we require a solid sense of your intent to reenroll next year. Please complete the 2019-2020 ***Plans for Re-enrollment*** form below. While responses indicated will not secure your child's space in Junior Division next year, the information provided enables us to plan for the upcoming academic year. We appreciate receiving your response no later than **March 17th, 2019.**

***Please note:*** **This form is must be on file for you to purchase tickets for the year-end performances.**

Thank you in advance for your cooperation.

Sincerely,
Tiffany Barnes
Junior Division Director
