THE AILEY SCHOOL
Junior Division
Re-enrollment 2015-2016
1st NOTICE: Intent to Re-enroll

Dear Ailey School Junior Division Parents,

This is the first of three (3) re-enrollment notices you will receive.

Traditionally our re-enrollment period for returning students has started in July. For years, parents have expressed a need to have class schedules for the upcoming academic year prior to the start of summer. This year we are excitedly making a marked adjustment to our administrative timeline and attempting to accommodate your longstanding request! We are planning the Junior Division 2015-2016 class schedule now and require a solid sense of your plans for next year before April 1, 2015.

We truly value our returning families. While responses indicated on the form below will not secure your child’s space in Junior Division next year, the information will help us plan accordingly. Please return a hard copy of this completed form to the 2nd floor receptionist before April 1, 2015.

You will receive the second re-enrollment notice in late April. This second notice will outline when you can expect to receive class schedules, placement and payment information. Thank you in advance for your cooperation.

Please note: In order to purchase tickets for year-end performances, we must have this form on file. Please submit your response to the 2nd floor receptionist no later than April 1, 2015.

Thank you,
Tiffany Barnes
Junior Division Director

==========Leave this portion with the 2nd floor receptionist=========
