## *Frequently Asked Re-Enrollment Questions*

### Process

Re-enrollment is a two-part process that begins with online registration and is complete **ONLY** upon receipt of online payment. **REGISTRATION + PAYMENT = RE-ENROLLMENT**

### Should I re-enroll if I have reservations about my child's level placement for 2018-2019?

Level placement is determined by instructors and the Junior Division Director. During the first six weeks of classes, student placement is carefully assessed. If a change in placement is recommended by faculty, parents are notified. With this in mind, we strongly advise you to register for your assigned level before the deadline date in order to maintain a space in the program. **Concerns regarding level placement cannot be addressed prior to the start of the school year.**

### What if the assigned class schedule does not work for us?

All Junior Division students are permitted to take only those classes assigned to their level and section. Students must commit to their assigned schedule in its entirety in order to re-enroll. For specific schedule questions, please direct your questions to your parent liaison.

### Is tuition assistance available and how do I apply?

Partial tuition assistance is awarded based on merit for students in Levels III – VII. We are accepting request letters from **June 11<sup>th</sup> – June 15<sup>th</sup> ONLY**. You will receive notification of award in September. If funds are awarded, they will be reflected on your October billing statement.

To apply, email a brief letter to [JDRegistrar@alvinailey.org](mailto:JDRegistrar@alvinailey.org). Include in the subject title, **"Partial Tuition Assistance: (Insert Student's Name and Level)"**. Please be sure to include your student's name, level and a brief reason why receiving partial tuition assistance would help enable you to keep your child enrolled at The Ailey School.
